VISY Recycling FSO Project (Monthly)

Reporting Period : February 2023

Release : Thursday, 30 March 2023

SUMMARY

February 2023

Overall Citywatch are very happy with the VISY FSO team nation wide. There were no issues with manning shifts over February 2023.

We have had FIRE events at VISY-NSW-Smithfield and VISY-VIC-Coolaroo however these are outside the FSO project. We have had multiple incidents at the weighbridge(s) and all were managed excellently.

At this stage all IR's are detailed and consistent.

This is supported by almost ALL sties displaying stable and consistent horizontal BARS (blue and yellow columns) with no steps.

We noted VISY-QLD-Maroochydhore did not complete any IR's and this will be addressed.

We have had a major AAA "near miss" issue at VISY-VIC-Laverton where Citywatch SOPs are being reviewed.
